

# CutTime Onboarding CHECKLIST for K12

Your success is our success. We are excited for you to begin your onboarding journey with us. Use this suggested checklist as a rough guide for your new account set up, as each fine arts program is unique in their operations and needs. Refer to our help articles and videos for additional guidance.

**Let's get started - your NEW Fine Arts Toolbox awaits.**

Review our Onboarding Guide [here](#) to view specific articles and videos related to set up tasks.

## STEP 1: PREPARING AND ACTIVATING ACCOUNTS

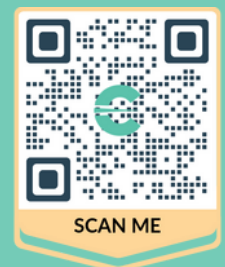

- Review CutTime Import Templates and prepare your program's data (*go to Import Data side nav link*)
- Activate your new CutTime Administrator Account credentials that were sent to your email address *then log in to CutTime via [app.gocuttime.com](http://app.gocuttime.com) which will display your Program Dashboard*
- Click on 'Users' in the side nav to add additional authorized users if appropriate for your program(s):
  - Co-Administrators
  - Boosters
  - Teachers
  - Helpers

## STEP 2: IMPORTING & SET UP

- Click on "Import Data" in the side nav to import your program data using the CutTime templates
  - Students (Active)
  - Inventory (Instruments, Attire, Library, and Equipment)
  - Adults (Guardians)
  - Balances (for Members)

*Make sure all Students have an assigned Guardian, You can assign multiple guardians to a student if needed.*

- Create Groups and Assign Student Members and Positions within each group
- Set up your Inventory Locations and adjust data within Inventory data if needed
- Assign Inventory to Students and send rental agreements if applicable
- Add Inventory Repair data and documents where applicable
- Create upcoming Events (single or series) and add Volunteer Jobs
- Create a Stripe Connect Account to Accept Online Payments\*
- Set Up Your Simple Raise Store and Fundraisers

## STEP 3: COMMUNICATING

You can find specific Welcome to CutTime Communication Kits [here](#)

- Send 'Welcome to CutTime' Emails and distribute Flyers to stakeholders
  - Staff / Teachers
  - Parents-Guardians & Students\*
  - Booster Club Members
  - Helpers

*\*Distribute these materials prior to sending the 'Welcome SMS Magic Link' to members*

- Compose your first weekly Announcement and validate receipt in the SMS Dashboard
- Use "Intro to CutTime" presentation at Recruitment and/or other key Update Meetings

You can find the CutTime Branding Kit with templates [here](#)

- Update your organization's website and program handbook with our ready-made materials
  - CutTime Logo w/description
  - CutTime website URL
  - Member's Magic Link details
  - CutTime Market details
- Post social media announcements to spread the word about CutTime
- Put up CutTime posters inside your classroom and other fine arts spaces
- White list CutTime's IP domains to ensure you receive important email notifications

## STEP 4: REVIEWING AND FEEDBACK

- Confirm all of your organization's program data is in the right spot
- Ensure teacher, booster club member, and/or designated helpers have activated their user credentials *(if needed you can resend the activation link to them from Users under Settings)*
- Review your Stripe Connect reports to ensure everything is accurate
  - Bank Payout Report
  - Individual Account Transactions Report
- Give us feedback on your CutTime onboarding experience and tell us about your additional learning needs [here](#)
